DEDICATION

The staff of the Wo-He-Lo is happy to honor an alumna of East Central Junior College who returned to her Alma Mater to become a member of the faculty. Her devotion to the college and the purpose to which it is dedicated, her sympathetic interest in the welfare and development of the students, her dry wit and genial personality have endeared her to the hearts of the student body and faculty. With love and respect we dedicate this yearbook to Miss Lucille Wood, Head of the Department of Physical Education.

President

W.A. Vincent

Greetings from the President:

We are indebted to the editorial staff and sponsor for their diligent effort to record and preserve, herein, the highlights of the 1960-61 school year. It is a treasure whose value will increase with the years.

Habits, attitudes, and friendships developed are the true measures of the significance of this year. Of secondary importance is the continued growth and development of the college. The addition of a new air-conditioned library is noteworthy.

May I congratulate those who receive special recognition in this year book, and extend the good wishes of all the faculty and administration to all whose picture is contained herein.

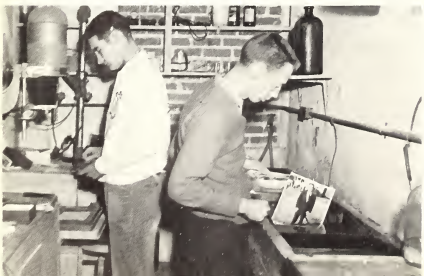
Feature writers, Dorothy Sumrall and Jean Crout, decide that gathering pecans from the trees on campus will make a good feature.

Reporters Brenda Waggoner puts her article in the "pigeon hole" while Keith Majure and Carolyn Lovorn check for errors before handing in.

Columnists Rita Jones and Doris Early think of ideas for their columns, "Campus Christianity" and "In My Opinion."

Anne Barfoot and Verbie Lovorn wait until Miss Harris, sponsor, checks their articles on press night.



Photographers Joe Mangrum and Bob Redd stay busy developing pictures which brighten each edition of the Tom-Tom.

The campus news is the topic of discussion for the next issue of the Tom-Tom. Planning are the executive staff composed of Rudy Williams, Larry Hogue, Eula Mae Fleming, Roy Roberts, Clemmer Slaton, Charlotte Thornton, Miss Una Harris, sponsor, and Hedy Ann Williams.

Linda Gatewood, Freshman Reporter, gets news from English instructor, Mr. Rudolf Mayes.

Mary Garner, Becky Slaton, Joan Hill and Reida Pigg display their technique of getting Social Highlights.

Sports writer Bill Manifold interviews Coach Oswalt for football news, while Dick Thames gets the lastest run-down on the basketball team from Coach Brackeen.

President Vincent is the main source of news. Here Felice Webb checks out a news lead.

Typists: Linda Vance, Charlotte Germany, Katherine Foreman, Sandra Ezelle, and Alma Johnson are busily preparing copy for the publisher.

Putting the paper together into the dummy is the last item before the finished product goes to press. The Executive Staff is responsible for this stage of production.

Alumni, the Tom-Tom is on its way to you as the Circulation Staff: Betty Leach, Marlon Copeland, Rita Fairchilds, Tim Croswell, and Malcolm Massey work.

Finances are kept in order by Roy Roberts, Business Manager, and Karen Daughdrill, typist, send reports to advertisers.
